BIOGRAPHY

lawrencedreams is Lorenzo Zampini, Italian composer and video designer born in Rome. IED Graduate ~ cinephile, night owl.

His music has been compared to magical realism and dark fantasy, blending electronic and neoclassical, with strong use of piano, immersive synths and virtual orchestra, sound design and timbric experimentation. Exploring storytelling and technology, while still maintaining its focus on human emotional expression and freewill.

"Non voglio dimostrare, voglio mostrare."

— F. FELLINI
